The Kensington PowerBack™ Battery Case with Kickstand and Dock slips over the back of your iPad to provide power, protection and a convenient prop. With up to 5 extra hours of power, you'll have plenty of juice for app use, web surfing, and movie watching. The 3-position kickstand even holds your iPad hands-free in typing, portrait or landscape modes.

Features and Benefits

- Built-in 4400mAh battery provides up to 5 extra hours of power for app use, web surfing, movie watching and more
- 3-position steel kickstand holds your iPad hands-free in typing, portrait or landscape modes
- Soft touch finish case protects your iPad from bumps and bruises
- LED Battery fuel gauge
- Micro USB charge and sync port lets you charge and sync without removing the PowerBack™
- Built-in speaker deflectors for clear, crisp sound
